- All non-Similac substitutions are temporary. On **March 1, 2023**, you will be required to use Abbott (Similac products) again due to Federal requirements.
- **Large-size cans of Similac products (highlighted above) are available until April 30, 2023.**
- If you have an Alternate 2 formula for your March WIC benefits, please contact your WIC clinic to schedule an appointment to have your formula changed.
