

DePaul Community Health Centers,
Tulane University and the Women, Infant and
Children (WIC) Program present
WIC's 50th Anniversary Celebration.

**Saturday,
September 14, 2024
10 a.m. to 4 p.m.**

Audubon Zoo
6500 Magazine Street

The celebration includes activities for children, a DJ, line dancing, voting registration, multiple giveaways, and food resources for families. DePaul Community Health Centers' associates will provide guardians information about Louisiana SUN Bucks, which provides families with a one-time payment of \$120 for eligible school-aged children to purchase groceries during the summer. Guardians will also receive information about No Kid Hungry, a national nonprofit that works to feed children at school and home.
